## A Message from Our Board President and Executive Director

Dear donors, supporters, fellow veterans, and friends,

Every day at Milwaukee Homeless Veterans Initiative we make it possible for veterans to reach and maintain their highest levels of independence. Our programs and services ensure that we leave no need unmet, leave no veteran behind. 2015 was a year of tremendous growth and possibility at MHVI. We had a record year of deliveries in our Home Support program, we encountered more women veterans through our WOVIN program, we reached more veterans while conducting our follow-up assessments, and we assisted more veteran families than ever before.

The possibilities of expanding our reach and providing more services to veterans and families became a reality in October of 2015 when we started moving into our own new home on Greenfield Avenue in West Allis. Through the generosity of the Larry and Amy Weiss family, this new location made it possible for us to launch The Wisconsin Veterans Network, VetsNet for short, the collaborative effort of MHVI and a dozen service provider partners offering a holistic approach to all veterans and military families seeking assistance in a time of need or crisis. With VetsNet it is possible to assist more unmet needs for any man or woman who wore the uniform.

We look forward to more positive outcomes for veterans and their families in the coming years. We thank you for your support of our work and for joining us in making all of this possible.

Warm regards,

**Dan Driscoll**

Board President

**Kirsten Sobieski**

Executive Director

Fundraising Expenses . . . . .	\$39,695
<b>TOTAL EXPENSES . . . . .</b>	<b>\$643,824</b>

## Home Support Program

### OUR MISSION IS MAKING NEW LIVES

We move formerly homeless veterans into their new living spaces, providing everything they need to set up housekeeping and begin their new lives.

In 2015:

- 343 veterans were moved into their new homes and provided with recycled furniture, linens, toiletries, cookware, household goods, groceries and other necessities to get them on the road to independence and self-respect.
- 60 of these home support program deliveries were to families.
- The donated items were valued at \$371,744.

Since beginning the program in a small way in 2009, MHVI has furnished more than 1,300 veterans' living spaces, and supplied them with goods, almost all donated, valued at more than \$1 million.

## WOVIN: The Women Veterans Initiative

### WOVIN IS THE PROGRAM FOR WOMEN WHO WORE THE UNIFORM

WOVIN was founded by women veterans to help their comrades – whether it's a woman veteran in need of assistance or a woman veteran who wants to help others.

WOVIN's mission is to educate, advocate, and increase public awareness of the increasing number of at-risk, homeless and under-served women veterans, and to help those women seeking information to help themselves and their families.

Women veterans are the fastest growing segment of the homeless population. And a quarter of those female vets have children. Their challenges are often overwhelming and complicated. Many have experienced sexual trauma while in the military. Often women veterans, therefore, have a distrust of military channels and male authority, so they avoid turning to the VA or other military support services.

There is another challenge in dealing with women veterans: many do not even regard themselves as veterans, either because they did not serve in active war zones or did not feel integrated in the armed forces. Strange as it may seem, many do not accept that if they served, they are veterans. WOVIN exists, in part, to bridge the trust gap. It is headed by our executive director, a female Army veteran.

## Emergency Food Pantry

### TO HELP FAMILIES MEET A SHORT-TERM CRISIS

Veterans and their families who are in a short-term crisis can get several days' worth of food delivered by MHVI.

That fills a crucial gap for those who need immediate help but cannot access regular food bank or nutrition programs.

We also deliver a housewarming supply of groceries to the formerly homeless veterans and their families we are moving into new living spaces, to get them started as they set up housekeeping.

**In 2015 we supplied food to more than 967 veterans and family members.**

## Outreach

### FINDING VETERANS WHERE THEY GATHER

MHVI goes into the hidden places. We do early morning searches to find homeless veterans where they sleep, and visit shelters and meal sites to find veterans in need. On those early-morning rounds, we offer food, toiletries, blankets and clothing. It is the first step toward building trust and getting them the help they need.

Since 2008, we have made weekly visits to Repairers of the Breach, a daytime shelter, to meet with veterans and provide clothing, toiletries and bus tickets to allow them to get to medical appointments and job interviews.

We help vets navigate the Veterans Administration system. Acting as advocates and guiding them through the system, we have secured benefit claims for more than 100 veterans, and have brought many more into the VA system to receive health care and enroll in other programs. Giving vets a helping hand and staying with the veterans to help them through the process is something we have done from the start.

## Wellness Assessment Program

### MENTORING HEALTH AND WELL-BEING

Our assessment program does follow-up interviews with veterans we have moved into housing to see how they're doing and what unmet needs they may have.

#### Meeting Unfulfilled Needs

After an assessment, we connect veterans with services to help them with medical needs and quality of life issues. In addition, MHVI may provide additional food, clothing, furniture and household goods as needed. **In 2015 we conducted 52 follow-up assessments and home visits.**

## Bikes For Stripes

### PROMOTING HEALTH AND WELLNESS

A joint effort of MHVI and the Milwaukee County Veteran Service Office to promote the health and wellness of local veterans. We receive donated bikes from area police departments as well as individuals. We include bike locks and helmets to encourage safe riding. **In 2015 we provided 58 bikes to veterans and their children.**

# 2015 Contributions

We are grateful for the support of the following foundations, corporations, and individuals who made a contribution in the 2015 fiscal year to support our mission, programs or operations.

We are also grateful, although there is no way to list them all, to the hundreds of people who made in-kind contributions of food, furniture, household goods and other items, valued in 2015 at \$371,744.
